## New Old Revelation On The Murder Of Gen. George Patton

Posted on [22 December 2012](#) by [wwwjtl](#)

— Statue of the great White American General George S. Patton.

We remember and mourn the murder committed on December 21, 1945, of the great White American General George S. Patton.

In the *Liberty Bell* magazine of [March 1987](#) (link opens as a pdf file) (I am reading the entire archive available [here at resist.com](#)), journalist Jim Taylor reported his multi-day conversation in 1975 with General Francisco Franco of Spain just before that leader died.

Franco said that he would like to have met Charles A. Lindbergh and General George S. Patton. In the article, Jim Taylor (or the editor of the *Liberty Bell*, the unequaled George Dietz) added a footnote, which is numbered "2." and continues onto the next page. Here are snapshots of portions of the two pages. The "He" at the beginning is Franco. [Update, Sep. 2016: *The first of the two images is inexplicably gone.*]

espionage and terrorist organization was incorporated in the C.I.A., in an interview reported in *Spotlight*, 15 October 1979, confessed that he, on direct orders from General Donovan, the head of the so-called Office of Strategic Services, and in return for a bonus of \$10,000, arranged the automobile "accident" in which General Patton was injured, slightly but sufficiently to have him taken to a hospital where physicians murdered him by injecting cyanide hypodermically. Our enemies in Washington had to do something to prevent the return of the General to the United States, where he would have revealed some of the facts about the Jews' War against Germany. Many suspect that the strange death of Mrs. Patton was also murder; she had in her possession her husband's memoranda of observations during the war, and these disappeared.

Now, I would like to type out the entire footnote so that the text is searchable and easily copy-and-pasted for use by anyone.

2. Douglas Bazata, who had been an agent of the O.S.S. before that espionage and terrorist organization was incorporated in the C.I.A., in an interview reported in *Spotlight*, 15 October 1979, confessed that he, on direct orders from General Donovan, the head of the so-called Office Of Strategic Services, and in return for a bonus of \$10,000, arranged the automobile "accident" in which General Patton was injured, slightly but sufficiently to have him taken to a hospital where physicians murdered him by injecting cyanide hypodermically. Our enemies in Washington had to do something to prevent the return of the General to the United States, where he would have revealed some of the facts about the Jews' War against Germany. Many suspect that the strange death of Mrs. Patton was also murder; she had in her possession her husband's memoranda of observations during the war, and these disappeared.

Lindbergh (the Congressman and his flyboy son of the same name) spoke brilliantly against the jew and jew-Communist infiltration of our country and of the horrendous wrong by the USA of joining the jews' genocidal intent against Germany and people of German blood around the world.

Those jews, of the same blood and intent as the jew infestation among us now, murdered Patton. A related story on another website says that Patton was mortally wounded in the automobile crash because the killer driver deliberately hit Patton again. I am more inclined to believe the Jim Taylor report above. We know without doubt that Patton intended to return to the USA and inform The People — as is the duty of true Americans sworn to uphold the Constitution — that jews were running the international genocide against Germans and that our government was part of that treasonous network. We know that, without a doubt, because enough of Patton's letters to his wife and other communications survived and have been reported so that his intention was very clear.

- SubvertedNation has a [fine article](#) but doesn't talk about the manner of death. However, a commenter includes the information on Bazata, as above, and adds details. However, a source is not cited.
- Here is [another article](#), including additional information and quotes.

All humans who are not jews — and especially we Whites — must choose who to believe. The choice is clear: Believe jews, from which all the anti-White stories come, or believe the best of our White race.

— Alfred Owen Crozier, one of the greatest Americans jewry wants kept

Our best includes these men and more: Patton, Lindbergh, Gen. Douglas MacArthur, Henry Ford, Eustace Mullins, Alfred Owen Crozier, William Luther Pierce, George Lincoln Rockwell, William Gayley Simpson, Revilo P. Oliver — most of whom are on the [WhiteSchool](#) page.

Our Whites who choose not to believe our best Whites need to ask Why? Why choose to believe members of a different race who have proved throughout recorded history that they are the only race who is united against all other races and who practice every deceit imaginable to attain their goals. (Read the jews' own rule book, the Talmud, written by jews and taught by all rabbis only to jewry. Proof. Talmud sites: [1](#), [2](#), [3](#).)

Knowing what we know above, let's have another look at the sequence of main events during and immediately after Adolf Hitler's 12 years as the top leader of Germany.

## 7 Bullet Points To Understanding WW2

- 1. Adolf Hitler rose to power in early 1933.
- 2. Worldwide jewry declared war on Germany in March 1933.
- 3. Hitler's Germany hosted the Olympic Games of 1936, recognized around the world as an excellent presentation.
- 4. Crypto-jew Winston Churchill of England, also in 1936, said: "Germany is getting too strong and we must smash her." (As reported by General R.E. Wood.)
- 5. Infamous jew Bernard Baruch, who stole millions of dollars from the U.S. government through World War 1 under traitor President Woodrow Wilson, was an advisor to crypto-jew President Franklin Roosevelt in 1938 when Baruch said to General George C. Marshall, "We are going to lick that fellow Hitler. He isn't going to get away with it."
- 6. In 1939, FDR, Churchill, and Russia's crypto-jew mass-murderer Josef Stalin had already set up [Poland](#) as the match to ignite World War 2. Following ongoing atrocities against German people in Poland, and following Poland's flat rejection of Hitler's offer of a fair and peaceful solution, Germany invaded Poland.
- 7. September 1939, England (the British Empire) and France declared war on Germany as World War 2 officially began. But WW2 really began with jewry's declaration of war back in 1933.

- This is a true image of a newspaper front page in March 1933. Other newspapers' similar announcements and photos of public jew rallies for their war are easily found on the Internet. Jews declared war on Germany in early 1933 — that is six years before the "official" start of World War 2. Doesn't that fact turn schoolbook history upside down, folks? TV, movies, and all other major media never tell the pre-war truth about jew crimes, do they? Why? Jews own them.

Since jewry had declared war in 1933, jews were the declared enemies of Germany. Thus, Germany had every right to kill every jew in Germany. When jews cry "Holocaust," the response should be:

"It was a war. You started it. Get over it."

But worse than that, the "Holocaust" is a monumental jew lie. Germany did not mass-execute jews. Historians and scientists have proved this. Of course, the jew-monopoly media throughout our country will not broadcast this proof. Ironically, jews in the camps were safe from the war. Typhus, a disease carried throughout Europe by flea-bitten dirty jews, was the main killer in the camps.

(This [extensive, scholarly article](#) is nice about it.) Old age was another natural killer. And finally, some camp prisoners starved as the jews' international blockade of Germany took its toll on the food supply.

— General George S. Patton on a boat after WW2 was won, as he said, against “the wrong enemy.”

That is the sincere truth as an overview of WW2. All claims to the contrary come from jew sources. Every White American, and every human on this Earth, needs to make a choice: Believe the best members of our own races, or believe jews.

I believe the great American Gen. George Patton at his most knowledgeable and wise point — immediately before he was killed on December 21, 1945. His murder is one of the many I vow to avenge. Every capable White American man, and such exceptional women, should join me in this vow and take action until the job is done.
